SUBJECT: Senate Select Committee on Intelligence Handling  
of Committee Transcripts

REFERENCE: 10 March 1977 Memoranda Number BYE-110436-77

1. The 10 March 1977 memorandum (copy attached) contains some errors regarding handling of Senate Select Committee on Intelligence transcripts. I want to insure that you are aware of the correct procedures.

2. The Senate Select Committee makes three copies of each transcript: two are kept as Committee records, the third is provided to the principal witness. Although the witness may retain the copy, the Committee is careful to assert that all copies remain Committee property. Most importantly, Committee rules prohibit further copying or distribution of the copy provided the principal witness.

3. I have attached a copy of the most recent Committee rules regarding transcripts.
